Dear

We ask you to partner with us in the effort to grow our sport in the USA. Presently we have Butterfly and Paddle Palace supporting the nationwide club team competition but in few weeks many others will join us to make table tennis a big and well recognized sport in our country.

We're reaching out to schools and corporations all over the U.S. and would like to connect them with the local table tennis clubs in their area. Our nationwide effort will attract new players to table tennis clubs and will also help in keeping existing members. Increased participation means increased revenues for everyone.

The league starts with a \$100,000, but in five years we would like to have a million or more in prize money.

**The first thing we would like you to do is to go to our website and register your club.** The registration is free until January 31, 2012. Once you register your club, you'll receive materials including press releases and will be able to register your teams.

I'm looking forward in working with you. Together we can do it!

U.S. Nationwide Table Tennis League goals:

- To support and strengthen the USATT club system
- To provide opportunities for clubs to grow
- To motivate and keep our talented players in table tennis
- To provide a high income opportunity for our professionals
- To turn the "basement" players into competition players
- To attract corporate sponsors
- To raise the prize money each year
